Target Travel has been a Boston-based tour operator since 1979. Our local roots have grown to serve large groups, worldwide. For example we work hand-in-hand with the Florida State University International Programs, and have organized European cruises for the FSU Boosters. We managed specialized tour packages for the Olympics in Turin, Athens, Salt Lake and Sydney, and for the America's Cup in Spain and New Zealand. The list -- and our expertise -- goes on!
